

Dear Cathedral Family,

Each year we reach out to you to support our Class of '62 "Operation Santa"; and each year you answer our appeal by generously giving your time and donations. It is your giving spirit that makes all that we do possible...THANK YOU!

It takes the whole year to organize and complete Operation Santa: to pass on the Christmas spirit to nearly one hundred families. We have to send out our appeal letter, coordinate donations, select the parishes and families we can help; and that's all before we set out for the fun part: SHOPPING!

Last year, Santa and his elves delivered 477 toys for the boys and girls (from newborn to age 13). You can only imagine the joy of these children when they receive what may be their only Christmas toy. The CHS Cheerleaders, their moms, our wives, and other alumni all pitch in to wrap and personally label each gift. Santa also provided 97 delicious holiday meals to the families on their list. On the attached page, you can see your donations in action.

You can help support Operation Santa 2010 by providing monetary contributions or by donating goods and services. Please make checks payable to:

**JR CHRISTMAS FUND
P.O. BOX 32628
LOS ANGELES, CA 90032**

Thank you in advance for your support.
